MEMO

Date: June 23, 2023
To: All Durham reps and dealers
From: Luke Simpson
Subject: Owl Grey finish discontinued

Due to complications during the production process, we are unable to maintain color consistency with Owl Grey to our satisfaction. In order to avoid further product service issues, Owl Grey will be officially discontinued from the Durham finishes. We will accept orders on this finish until July 17, 2023.

If you have product on your floor in this finish, please contact your rep or Josh Alexander to discuss how we can help you keep your floor product current.

Thank you for your understanding.
