Subject: Spring 2025 Product Discontinuations – **BARLEY REVISION**

Please be advised that the **Discontinuation Memo dated April 7th** regarding the **Barley Finish** will be revised.

After further review and consideration, a decision has been made to **retain the Barley Finish in our product lineup**. We recognize the value it brings to our offerings and appreciate the feedback and insights that contributed to this decision.

Please disregard any prior communication indicating its removal, and continue all relevant operations and promotions as usual.

Thank you for your attention and continued support.

Sincerely,

Luke Simpson
