Subject: Jewelry tray inserts – removal from product

Earlier in 2026, our supplier of certain jewelry tray inserts informed us they were closing their doors. At that time, we bought an amount of stock to carry us through until such time as a replacement could be found. Unfortunately, a suitable replacement for certain of these items has not been found. Below are the affected product and resolution:

Product SKU	Current Insert	Updated Insert	Timing
975-156	Jewelry liner with dividers	Flat felt liner for drawer bottom	All new orders
980-173	Pin tray in top right drawer	Flat felt liner for drawer bottom	All new orders plus some backlog orders
980-157	Jewelry liner in dividers	Flat felt liner for drawer bottom	Orders after supply runs out – approx. 3-4 weeks
501-160	Valuables tray	Not being replaced	All new orders

We apologize for any issues this may cause. Please don't hesitate to ask if you have any questions.

Thank you,
